She is
silent
and not
to be

She is
black

and not
to be

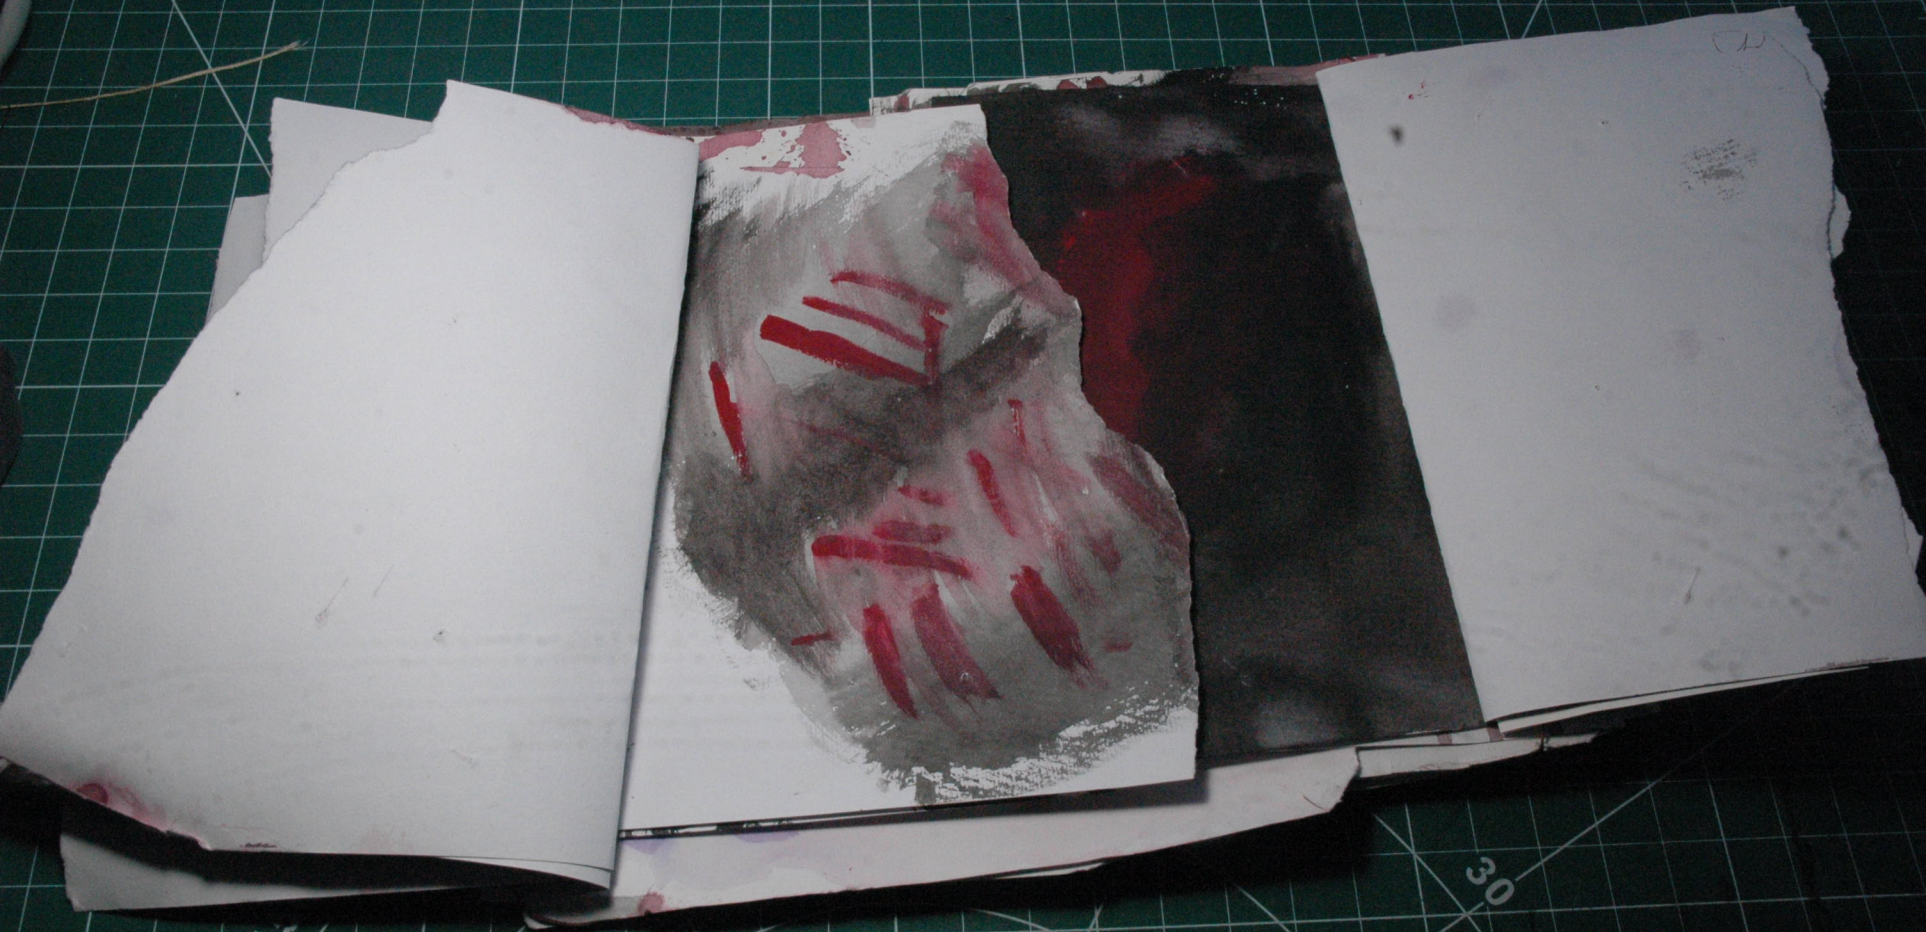

she could feel the ribs
could to let herself out
Physical Evidence

bleeding inside
she
feels a way to
live on her surface
she remembers
he is torn

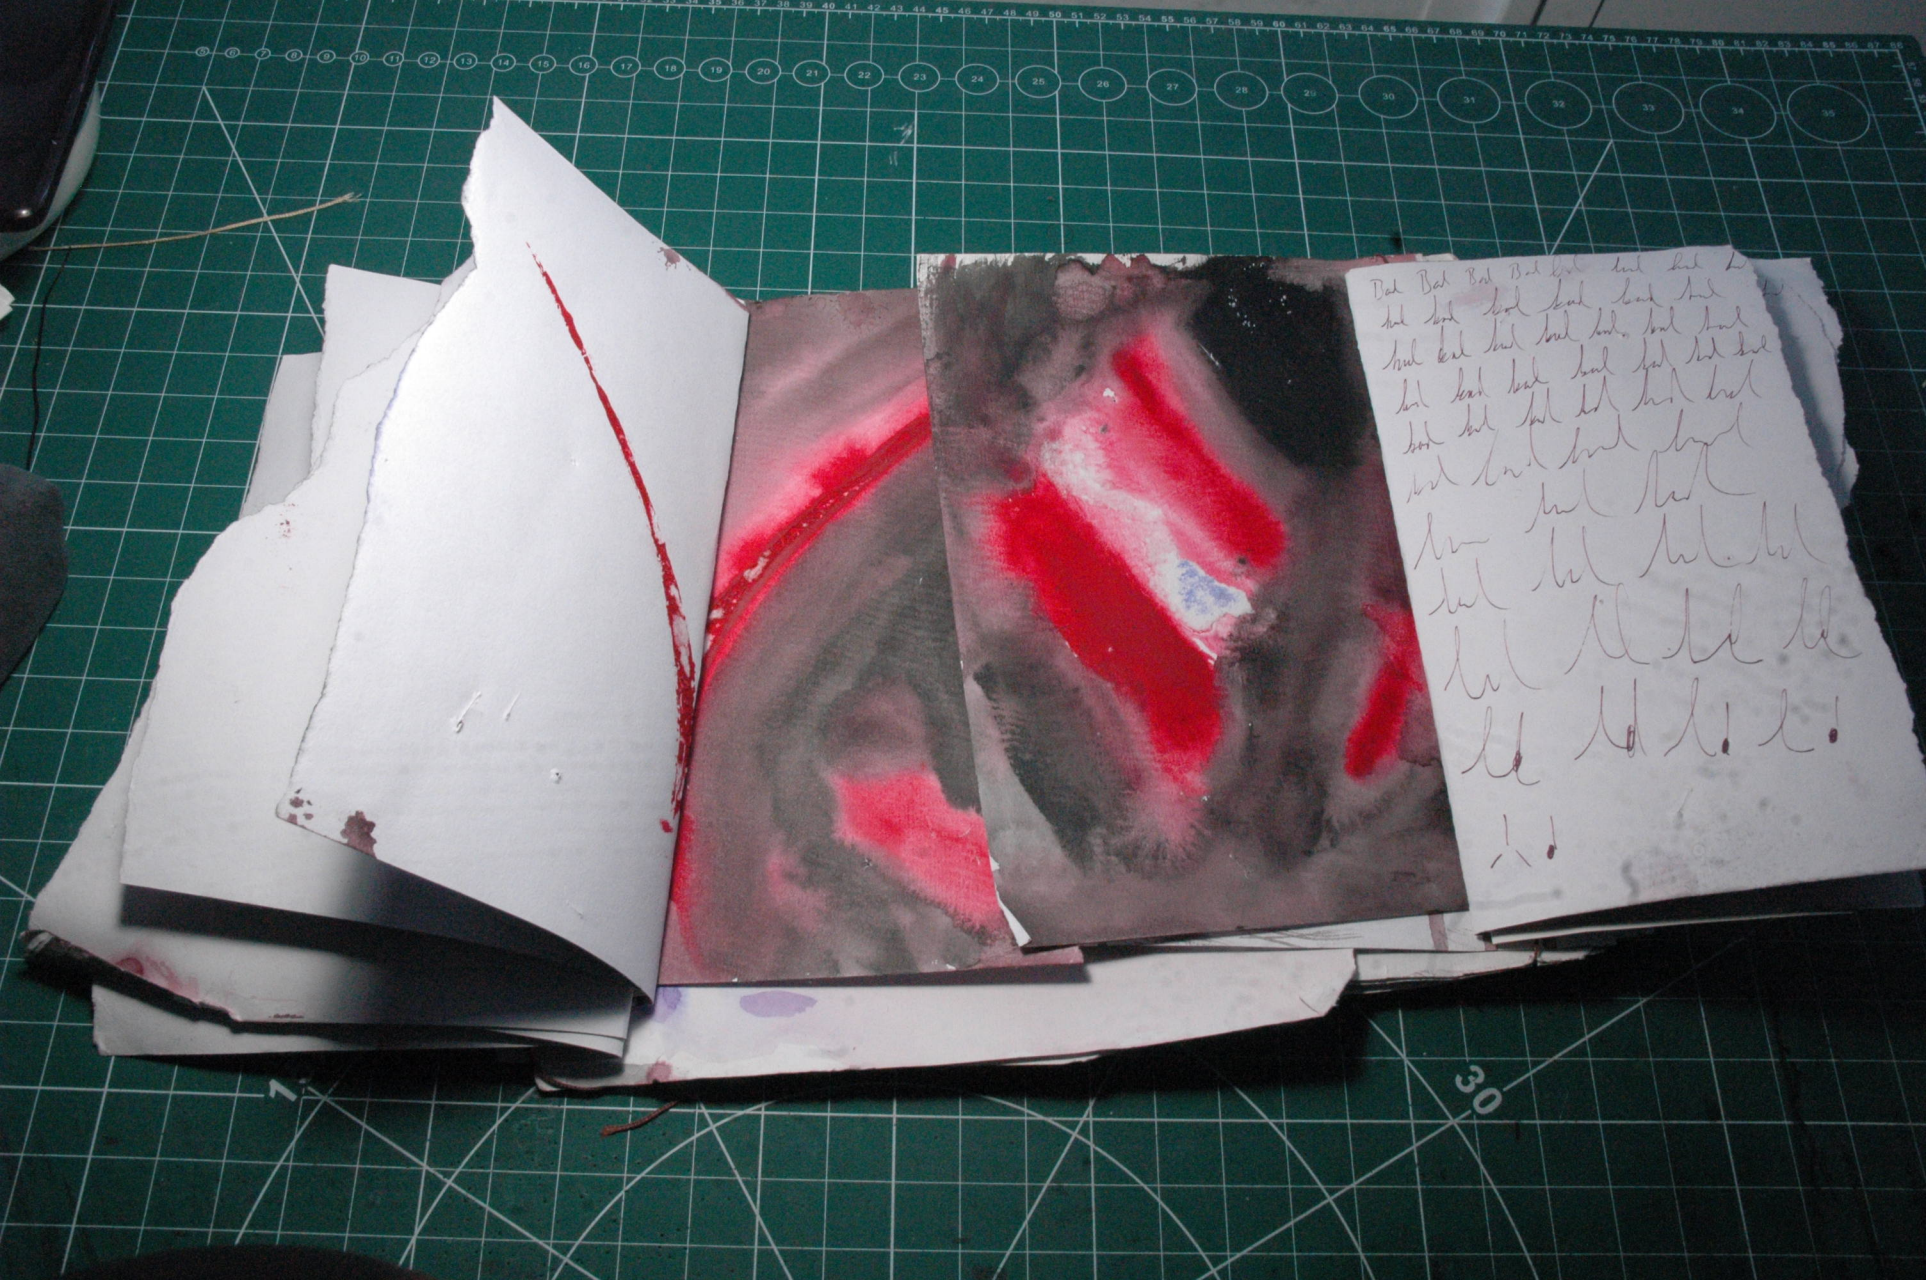

she would write herself
on herself
in the ribs was small
Physical Evidence

brod her legs
and burn her houses
and shed her life
she will not rest
at she has told
our day

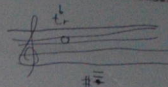

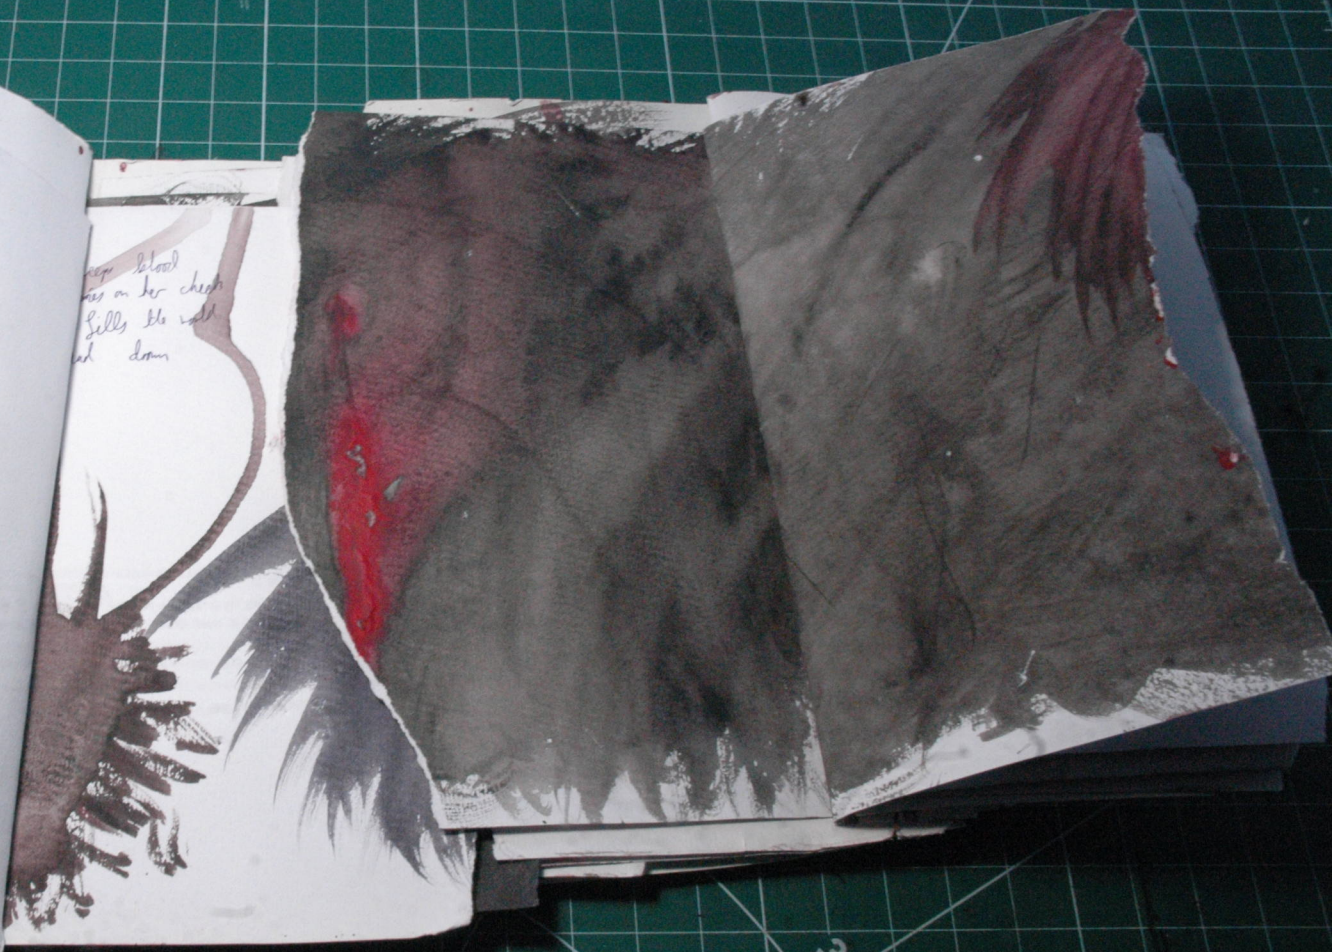

She burned
Her acid blood with
Love for with love

big blood
on her chest
Silly the world
and down

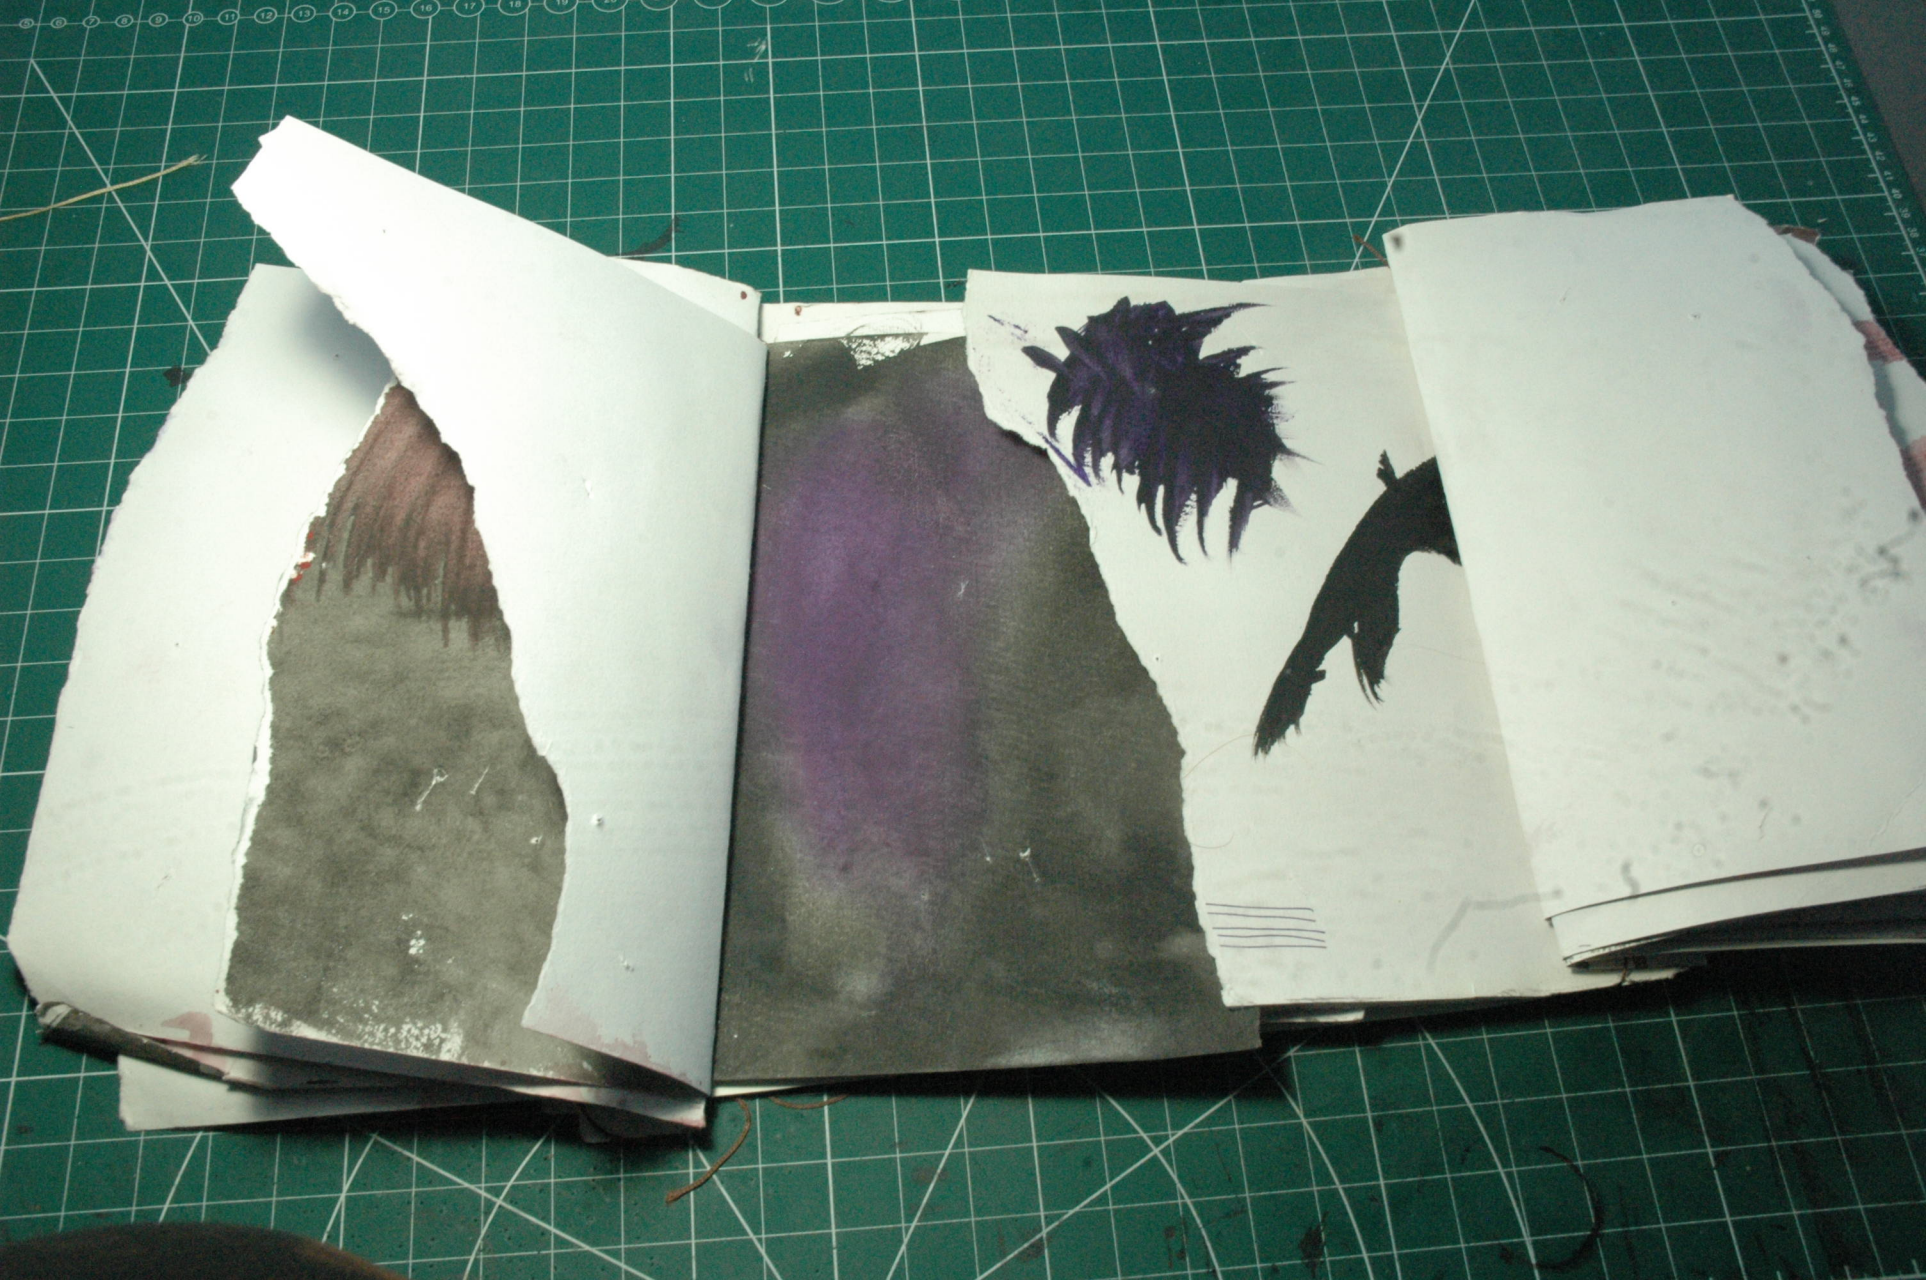

She

As alone against the setting sun
my golden as the world fades
blue light she raises her instrument
to begin to tell as the world shifts

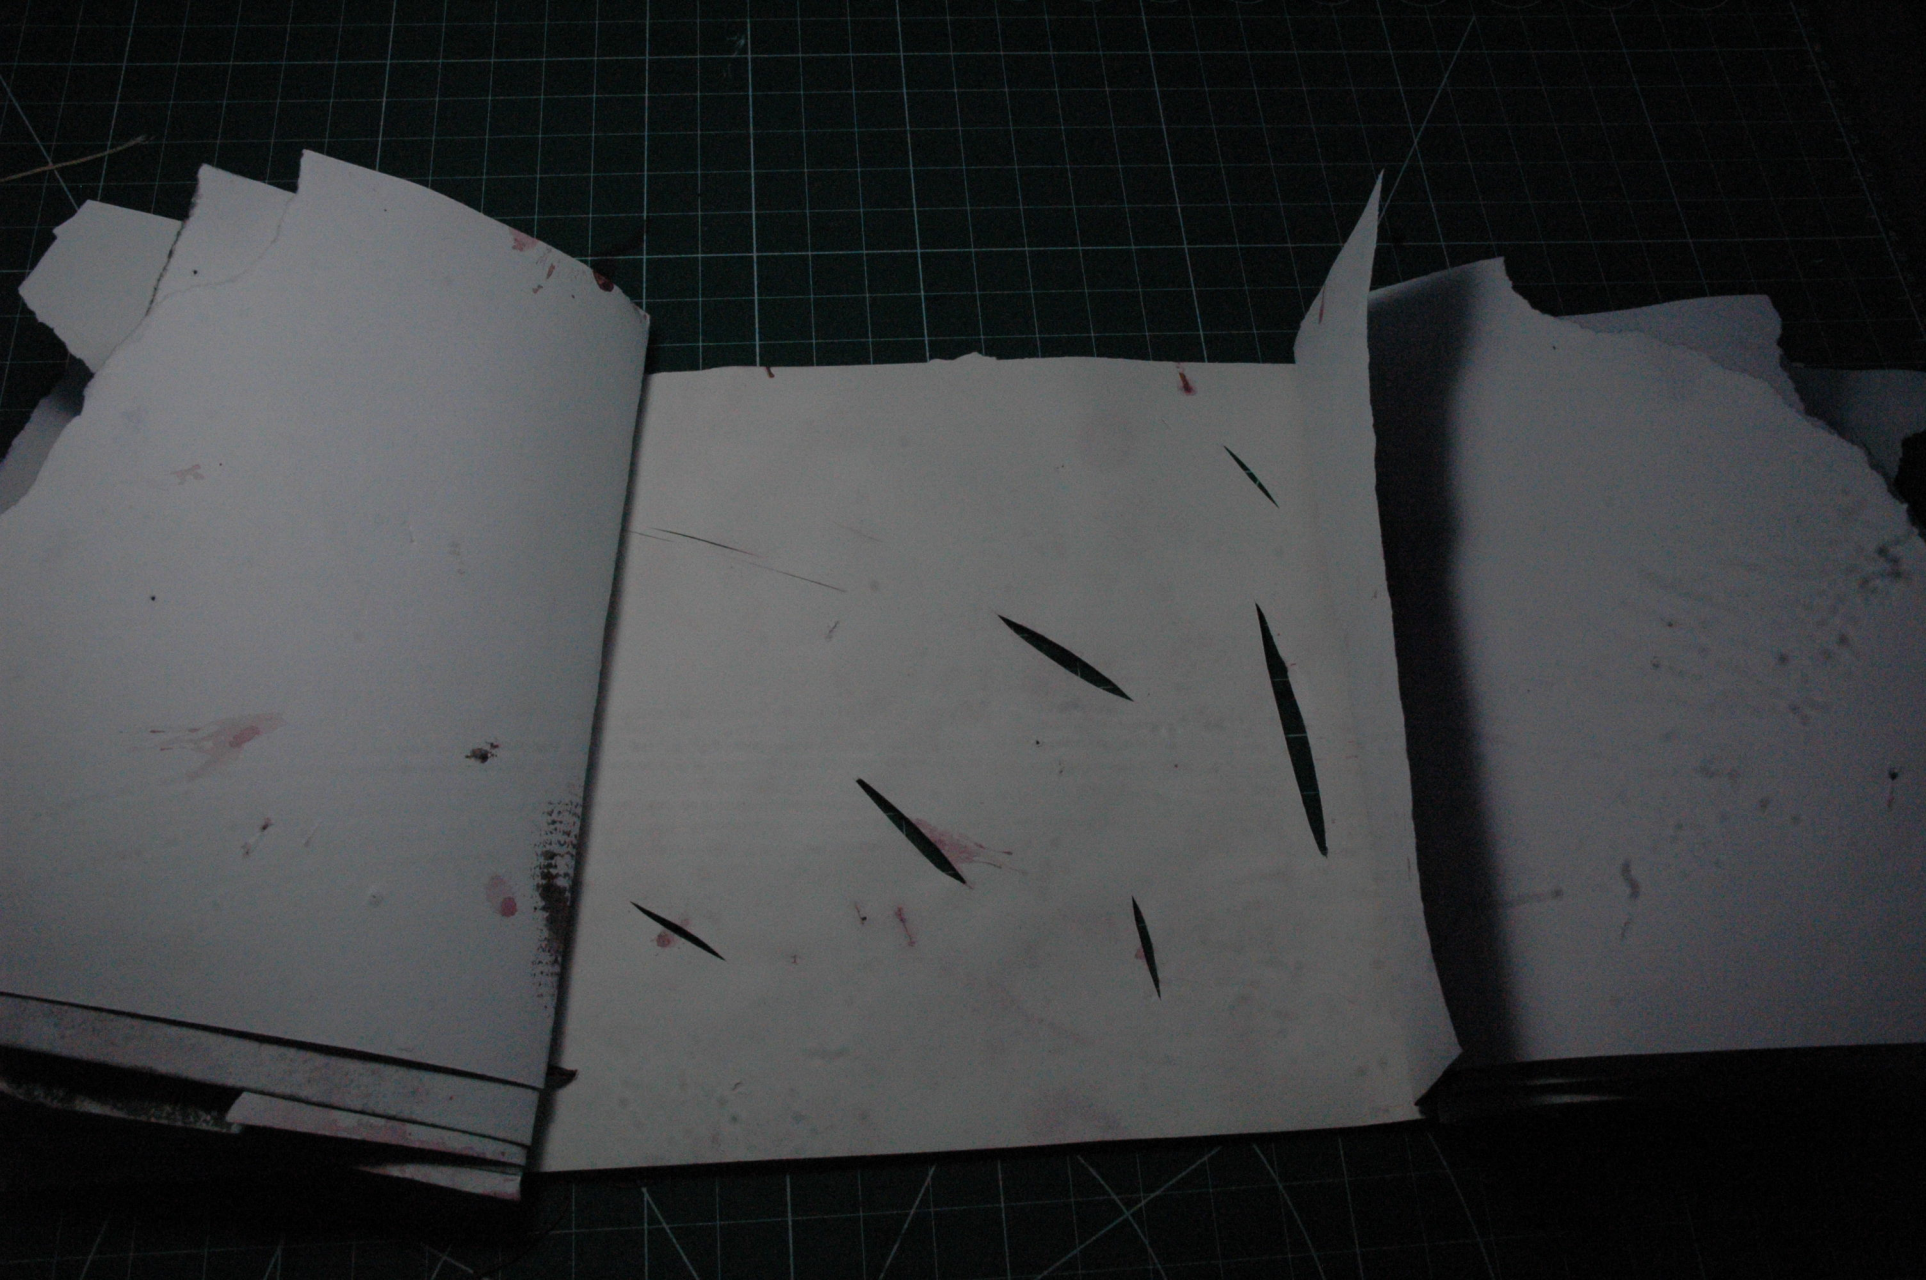

will break the world
